This Civil Revision Petition coming on for admission this day, the Court made the following:

O R D E R

This is a revision filed assailing the order of court below refusing to stay the suit. The case of the petitioner is that the criminal case is pending before the parties, therefore this has to be stayed. The suit is O.S. No.33/92, whereas in criminal proceeding charge is framed at the initial stage. The court below has given cogent reasons for refusing the stay sought for.

I do not see any ground to interfere. Hence, the petition is dismissed.
